HYBRID OLR

TERMS AND CONDITIONS

GENERAL

No Teams. No limits.
Pigeons may not have raced anywhere else before at Home or in any OLR and must not have thrown more than 3 primary flights at time of entering.
Birds will race naturally from the perch, no motivation, or splitting of sexes.
Loft Training will start end March/Beginning April 2026.
Road training will start end April/ Beginning May 2026.
All preseason training will be done by the OLR up till Race1.
The race program might change, due to the FBHU program changes.
Loft decisions are final.
All Loft rules and conditions are binding once pigeons are entered into the loft.
Pigeons remain loft property while entered and racing at the loft.
Loft decisions are final.

YEARLINGS

Intake September 2025 to 31 Jan 2026.
Due to numbers or demand, this may extend to February.
Birds to be rung with 2025 or 2026 rings.
For every 5 pigeons sent or less one must be paid at shipping @R2500. Example send 6-10 pigeons pay 2 upfront = R5000.
ALL birds must be fully paid by Race 1 Laingsburg 190km @R2500 per pigeon by the entrant.
All unpaid birds will be sold by the loft to any third party to enter, and you will lose all rights to the bird and auction money.
If not sold, they will be removed from the loft, sold, or hidden on the system, at the lofts discretion.
YL Pigeons will race 9 weeks in a row up to 678km in year 1.
New YL's will be accepted each year, and race as old birds in year 2+
The YL Ace Bird will start at Race1 to 9
The YL & Ace Bird Prizemoney will be determined each year based on the nr of paid YL pigeons.

OLD BIRDS

After the auction each year, all remaining YL & Old Birds needs to be activated @R2500 the next season by the original entrant. For every 5 or less still there one must be paid @R2500.
before season. Example 6-10 pigeons still there pay 2 upfront = R5000. The rest must all be activated at Race1 @R2500.
All unpaid birds will be sold by the loft to any third party to enter, and you will lose all rights to the bird and auction money.
If not sold, they will be removed from the loft, sold, or hidden on the system, at the lofts discretion.
The OB Ace Bird will start at Race1 to 9.
The Old Bird & Ace Bird Prizemoney will be determined each year based on the nr of paid Old Bird pigeons.

SUPER LEAGUE

There will be a Super League for more prizemoney that is optional for those that wishes.
R2500 per pigeon extra. YL & OLD Birds.
This will be additional to the R2500 per pigeon as base cost.
This totals up to R5000 per pigeon. Super League prize money will be determined each year based on the nr of entered pigeons.

AUCTIONS

Only the Overall top performing YL/OB & Ace birds will go on auction every year at discretion of the loft, unless owner wants these pigeon(s) to compete further as an Old bird in writing.
All other YL pigeons will remain in the loft and fly as 2-year-olds.
The same applies to 2-year-olds that will race as 3-year-olds.
ALL The 3-year-olds will be auctioned after that last season.
50% Kickback to the owner after costs at any time.

BUY-OUT OPTION

All remaining pigeons in the loft not on auction, will have a buy-out option also, if the owner wants to have the pigeon returned. This figure is R1500 per pigeon.
No kickback. This applies to YL and Old Birds after the seasons and after the auctions. We urge fanciers to let these birds compete as Old Birds instead at east for 1 year.

RESULTS

There will be 2 results, the traditional OLR result, and one combined with the FB result for OLR comparison and purposes. The latter will not be an official FB result.
We will also not fly for points in the FB or for their championship.
All prizemoney will be based on the OLR results, inc Ace Bird.
The Ace Birds will be determined on Benzing Average Speed.

The True Ultimate test in Pigeon Racing!
